note 1 = 18:14 @ Rolvenden : D2023 to attach to front of 08359 at Rolvenden.

Most trains pass outside Rolvenden station. As a result, it is not possible to change between an UP (Tenterden bound) train, and a DOWN (Northiam / Bodiam bound) train at ROLVENDEN

Passengers wishing to change trains at NORTHIAM station should ensure that they are travelling in the FRONT part of a BODIAM bound train, or in the REAR part of a TENTERDEN bound train. On arrival at the station, passengers should make their way directly towards the board crossing by the signal box to cross the line.

Travel on our freight train in one of the brake vans and see a different view of the railway! Limited places and conditions apply - ask a member of staff for details or visit the front of the Carriage and Wagon Shed at Tenterden to obtain a supplementary ticket

The K&ESR will use every reasonable endeavour to operate the advertised train service but cannot guarantee that services will be hauled by the locomotives shown. Unforeseen circumstances or events may entail alterations or cancellations. In the event of this occurring, no refunds or compensation will be payable.
