D.N.C. Does not call at the station shown

Please note - Swapping trains at Rolvenden

Most trains pass outside Rolvenden station. As a result, it is not possible to change between an UP (Tenterden bound) train, and a DOWN (Northiam / Bodiam bound) train at ROLVENDEN. The opposite (DOWN train to UP train) however is possible.

Please note - Swapping trains at Northiam

Passengers wishing to change trains at NORTHIAM station should ensure that they are travelling in the FRONT part of a BODIAM bound train, or in the REAR part of a TENTERDEN bound train. On arrival at the station, passengers should make their way directly towards the board crossing by the signal box to cross the line.

DISCLAIMER

The K&ESR will use every reasonable endeavour to operate the advertised train service but cannot guarantee that services will be hauled by the locomotives shown. Unforeseen circumstances or events may entail alterations or cancellations. In the event of this occurring, no refunds or compensation will be payable.
